We present a luxurious apartment located in a modern, exclusive complex in **Benidorm**. It is **the tallest apartment building in Europe**, with a height of 196 meters. It has 7100 m2 of shared spaces, both on the ground floor, 46th floor, and rooftop, including 3 pools (one of them being an 800 m2 beach-style pool), a 1000 m2 children's area, a restaurant (exclusively for residents) with a 1200 m2 terrace, a spa, and 4 jacuzzis at a height of 198 m. Additionally, it offers a **gym, fitness room, massage rooms, sauna, and two exceptional viewpoints**. The property offers a magnificent sea view. The area where the property is located is undoubtedly beautiful, with extraordinary views of the mountains and the sea. All services such as shops, supermarkets, and restaurants are within walking distance.

The interior and furnishings of the property

The property with a total area of 96.20 m2 features a private terrace with a sea view, a parking space, and a storage room. Inside, there is a bright living room with an open kitchen, 2 complete bathrooms, and 2 bedrooms equipped with built-in wardrobes. Additionally, the apartment includes air conditioning and a video intercom system.

The property for sale consists of:

The neighborhood of the property

Benidorm is renowned for its beautiful golden beaches, with a total length of 5 kilometers. **Levante and La Poniente** are particularly noteworthy, considered some of the most beautiful beaches along the entire **Costa Blanca**. Levante is recommended for those who seek not only beach relaxation but also plenty of entertainment. Along the beach stretches a promenade lined with restaurants and bars. Benidorm is also family-friendly, with its amusement parks being popular attractions. Apart from **Aqualandia**, a water park with thrilling slides, **Terra Mitica** is another highlight. It is a park that combines educational and entertainment purposes in a fantastic way.
